Chairman, Dr. Baluni Group of Institutions

**BPS is an attempt to  
Strengthen the roots,  
Redefine schools and  
Reinvent classrooms  
of the future.**

Dear all,

Baluni Public School is an attempt to redefine schools and reinvent classrooms of the future; an initiative to groom the future generation. We are committed to provide a comprehensive environment that stimulates multidimensional development of your child; physical & intellectual, spiritual & emotional, cultural & artistic. Baluni Public School is an initiative to groom your child to become leaders of tomorrow, for the new socio-economic order of the information age, who while maintaining the perspective of world citizens, will not lose their mooring in the rich cultural heritage that is every Indian's pride. We aim to ensure that competencies of your child are enhanced so as to enable him/ her to lead in the intensively competitive, technology driven and fast evolving global society. This is what guides the design, the format and the functioning at Baluni Public School. At BPS we strongly believe that every child is talented and meritorious in a unique way and as such we only need to spot talent and nurture them to their full potential. At BPS we not only focus on the academic but also ensure that all students are well disciplined, well-mannered and have respect for the rich Indian culture and traditions, society and nation as a whole.

Baluni Public School is a unit of Dr. Baluni Education Society that has been leading in shaping the careers of aspirants preparing for IIT-JEE and NEET since its inception in 2002. Innovation, Leadership and Honesty are our core pillars that give Baluni Public School its own unique character and identity.

to explore, learn and transform*

## Dr. Sanjay Bansal

M.Sc., M.Phil., Ph.D.  
Principal Head

Education in today's world is a challenge for parents and school as well. A good education is one that enables a child to develop into a responsible citizen in this competitive world and at the same time live life the way he/she desires. For us as the facilitators, among the various means of education, the school excels all others. It's a special place where young minds, through the rich traditions of culture and values of life are developed into responsible citizens. The school in its efforts develops, unifies and enriches their personality. At BPS we believe in the fundamental dignity of each individual. We believe that education excellence helps to develop understanding, reasoning and thinking skill. It also helps to instill a lifelong appreciation for learning and help foster a sense of moral and ethical behaviour.

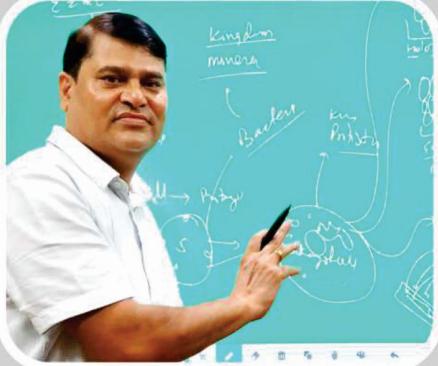

We aim to focus on strengthening the roots and in doing so we look forward to all parents to extend their full co-operation.

## Hybrid Mode - अब ट्यूशन की जरूरत नहीं

- Baluni Sir जो कि MBBS, double MD Doctor है, जिनको 25 वर्ष से अधिक टीचिंग का अनुभव है स्वयं उनके द्वारा अति सरल व सुरुचिपूर्ण भाषा में concept based Science, Maths के lectures ( 1st to 10th Classes ) तैयार किये गये हैं।
- बलूनी सर के Maths, Science के video lectures , 1st पीरियड में स्कूल टीचर की निगरानी में स्टूडेन्ट्स को कराये जाते हैं तथा next पीरियड में स्कूल टीचर उसी टॉपिक के questions की practice NCERT से कराते हैं।
- I to V classes में English & Maths की double class, VI to X में Science & Maths की double class स्कूल में चलायी जाती है, जिससे student साल में दो बार महत्वपूर्ण सब्जैक्ट्स को रिवाइज कर सके।
- कुछ subjects जैसे-हिन्दी, SST, Computers की classes दोनो online / offline modes में चलाई जाती हैं जिससे students का school में टाइम सेव हो और उसके अति महत्वपूर्ण व जटिल सब्जैक्ट्स Maths, Science, English में double टाइम दिया जा सके।
- BPS का उद्देश्य है कि पेरेन्ट्स को ट्यूशन की समस्या से मुक्ति मिले। इसके लिये हमने Maths, Science, English के homework का video solutions तैयार किये हैं जिसमें homework में दिये गये सभी questions के solutions हैं। आप अपने बच्चे के साथ दो घण्टे बैठकर pendrive को TV में play करके उसका homework करा सकते हैं।
- Hybrid mode में classes का उद्देश्य है student का समय बचाते हुये महत्वपूर्ण व जटिल subjects पर ज्यादा ध्यान देना, दो से तीन बार रिविजन कराना, Science, Maths में ज्यादा questions की school में ही practice कराना। इन सबसे students को ट्यूशन की आवश्यकता नहीं रहती है व उसके अंकों में भी तीव्र सुधार होता है।
